A close-up photograph of a document, likely a passport or official form. It features a circular stamp with the text "ALBANY" and "NEW YORK" visible. A prominent red diagonal line is drawn across the stamp. The document has a yellowish, aged appearance.

This is a close-up photograph of a section of a heavily aged, yellowed document. The paper shows significant signs of wear, including creases, discoloration, and some staining. Several circular postmarks are visible, mostly oriented vertically. One prominent mark on the left contains the word "WASHINGTON" at the top, the number "13" in the center, and "JAN 08 67" at the bottom. To its right, another vertical mark includes the date "JAN 13 67". Below these, there's a horizontal mark with "JAN 13 67" and a red wax seal or stamp partially overlapping it. At the bottom, two more circular marks are visible; one clearly shows "SHIRE C.C. LICE" and an asterisk, while the other partially shows "LICE NCE". Handwritten numbers are also present: "13" is written near the top left, "13" is written horizontally across the middle, and "13" is written vertically on the far right edge. A small portion of a blue ink mark, possibly a signature or initials, is visible on the right side.

REGISTRATION BOOK

FOR A

Mechanically Propelled Road Vehicle.

Read carefully the following instructions.

1. Upon the first issue of this Book sign your name in the top space provided on page 3.
2. Keep this Book in a safe place, not on the vehicle. If you lose the book, you may have trouble and delay in renewing the licence and obtaining petrol coupons, or in disposing of the vehicle; and you should report the loss at once to your Registration Authority.
3. If the particulars on page 7 are not correct, inform the Registration Authority at once.
4. If you make any change in your vehicle which affects the particulars on page 7 (h.p., unladen weight, seating capacity, colour or type of body, or if you change the class (e.g., private to hackney goods to private, etc.) or if not already so licensed) desire to draw a trailer, you must at once inform your Registration Authority and send this book to them. (It is an offence not to notify any change of the registration particulars.) You must at the same time send the licence when the alteration affects any of the particulars therein. If the alteration made increases the amount of licence duty payable, you should send a cheque for the amount of the additional duty.

Renewal of Licence. (See Note on page 2.)

5. When your licence expires, if the vehicle has not changed hands since the licence was issued, get a Renewal Form (R.F. 1a) from your Registration Authority or from a Money Order Post Office, fill it up and apply in accordance with instructions on the form.
6. If the last licence was not taken out by you, the vehicle must be fully declared on the appropriate Declaration Form and application made to the Registration Authority before a new licence can be obtained.
7. If the licence is not renewed owing to the non-use of the vehicle, you must retain this Registration Book and produce it to the Registration Authority when you apply at a subsequent date for another licence for the same vehicle. When a vehicle is broken up, destroyed, or sent permanently out of Great Britain the Registration Book must be surrendered to your Registration Authority.
